

1. This assembly has two parts. Please pre-fold all of the creases prior to assembly for best results.

2. With the calendar side facing down, push and fold the two sides towards each other.

3. Insert the two tabs into their slots to join the sides together.

4. Fold over the two shorter flaps. They can be found along the bottom edge of the calendar.

5. First fold over the flap which has two tabs. Insert the tabs into the slots.

6. Fold the remaining flap over. Insert the three tabs into the base.

7. Fold up the brochure. Place it inside of the calendar, using the corner slots to hold it in place.

8. Finished Assembly.
The calendar is now fully assembled and should resemble the units shown above.
